

**Electrolux**

Designed For All Five Senses  
Inspired By Experience

*Experience the largest selection of premium appliances at the guaranteed low price. Our dedicated contract division will make sure that your appliance dreams are fulfilled with the correct product and brand selection, like Electrolux, the leading premium appliance brand used in Europe for over 70 years. Electrolux is now available with all of its beauty, style and ingenious features here at American. Come see why Electrolux is a great solution for your kitchen AND your laundry room. You will also find out why more and more builders, architects and designers are working with American throughout the marketplace. Nobody can match you to your needs better than American, whether you are building a new home, remodeling a kitchen or replacing existing appliances.*
