dacor®
The life of the kitchen™

Dacor Preference Gas Cooktop (PGM365-1S)
36" all gas, 5 burners

From simmer to sear, this sleek and elegant cooktop combines precision control with unrivaled power for the ultimate culinary experience.

**Dacor Millenia Double Wall Oven
with vertical window (MOV 230)**

The simple-to-use, interactive Discovery Controller® not only calculates the time, temperature and cooking mode for many foods, it can even store nearly 100 recipe settings for perfect results every time. New oven cell features increased cooking capacity and a conveniently larger window for viewing. This is truly a perfect design for life in the kitchen.

Dacor 24" Automatic Coffee System (CM 24P-1)

One-touch brewing with direct plumbing. Completely automated grinding and brewing for a consistent cup of coffee. Adjustable height dispenser accepts tall mugs. Integrated frothing system with adjustment mechanism steams milk while brewing to save time and effort. And one-touch cleaning program is fast and efficient!

**Dacor Epicure Beverage Center
with right-hand door swing (EF24RBCSS)**

An Epicure® Beverage Center will enhance the entertainment possibilities of any space in your home. Each is engineered to maintain the precise temperature and humidity levels for preserving and serving wines and chilled beverages at their best.

**Dacor 48" Built-in Side-by-Side Refrigerator
with overlay (IF48BNDB)**

Keep your food fresh with accurately displayed temperature and with Food Saver controls that maintain drawer freshness. Cool white lighting and translucent air deflector provide illumination. Finally, the hinged motor cover allows for easy cleaning and service.
